**Report of IPR Session**

**2022-23**

**Day & Date – Tuesday, 30.8.2022**

**Introduction:**

Yashoda Technical Campus organized “**Intellectual Property Session (IPR) Session**” to motivate the faculty to apply for patent and publish their research work. The activity was conducted as on 30 August, 2022. All faculty members were actively participated in session. The aim of this event is to aware the faculty members regarding patent application and protection of content rights.

**Summary:**

Yashoda technical Campus, Engineering Mechanical department initiated this activity and organized this one day session for all the department of the institutes. They appeal to all the staff members to join the session. The aim of this activity is to motivate the research in a campus.

MBA department all faculty members were remain present into the session. Speaker introduced the subject of Patent and research publication. Also highlighted the benefits of patent to the teachers and students and institute. They describe the entire process of patent in session. Also guided the teachers in selection of topic for patent. Faculty was well motivated in selection of problem for research and apply for patent.

Question and Answer session also conducted at the end of session. The session was very interesting where teachers got the scope to raise their queries regarding their misunderstanding, the concept of patent where new and very original idea is essential to apply for Patent and process is very lengthy and time consuming, require money to apply, doubtful about the platform of application and so on. Where most of the teachers were actively participated and cleared their doubts. The session was worth to know the research patent and research publication.

Thus, session was successful to motivate the teachers for research and research of the students.

Project Report Viva Voce Orientation Program

Date	August 03, 2022	
Session I	Mr. R. D. Mohite	What is MBA Project.?
Session II	Dr. R. R. Chavan	Research Methodology for MBA Project
Session III	Mr. T. V. Shende	How to choose an Organization

MBA Students have to undergo a practical training of minimum fifty days. MBA being a professional course it is essential for each student to practically apply or understand theoretical concepts what he/she learn during the course. During the training programme students are expected to collect vital information through internal and external sources so as to reach concrete conclusions on the given subject. Students have to prepare the project report under the guidance of internal guide appointed by the concerned unit.

Since the practical has been introduced in the curriculum every institution affiliated to Shivaji University, Kolhapur is expected to sign Memorandum of Understanding (MoU) with industrial units and business houses nearby. The summer in-plant training projects are also expected to be offered with the help of preferably these units which would facilitate better control over project work undertaken by student.

The Faculty of MBA organized a one day orientation program for the Students. Wherein the resource person guided the students on various aspects such as what is the Project report. What is there in the Project, Why is the project work important and alike? First session was delivered by Mr Randhirsinh Mohite who guided on how to carry out the project work.

### ACTIVITY REPORT 18.11.2022

#### **Interactive Session on 'Spoken English Proficiency' in Association with the English Language Academy**

Yashoda Technical Campus, Faculty of MBA, MCA & B. Pharmacy organized an Interactive session on 'Spoken English Proficiency' to test the student's capabilities and boosting their level of spoken English.

Students of Professional courses need to improve the spoken English in order to match the global standards. Language is our primary source of communication. It's the method through which we share our ideas and thoughts with others. Some people even say that language is what separates us from animals and makes us human.

There are thousands of languages in this world. Countries have their own national languages in addition to a variety of local languages spoken and understood by their people in different regions. Some languages are spoken by millions of people, others by only a few thousand.

English may not be the most spoken language in the world, but it is the official language of 53 countries and spoken by around 400 million people across the globe. Being able to speak English is not just about being able to communicate with native English speakers; it is the most common second language in the world. If you want to speak to someone from another country then the chances are that you will both be speaking English to do this.

Recognizing the importance of English in today's world, Yashoda institute has taken initiative to know the areas of improvement in students with respect to this subject.

**REPORT ON INCENTIVES AND CONCESSIONS GRANTED BY GOVERNMENT TO  
ENTREPRENEURS**

MCA Department had organized a session on awareness of Incentives and concession granted by government to entrepreneurs. Government provides various incentives to entrepreneurs to Encourage and support entrepreneurs, enhance their productivity, and Motivate entrepreneurs.

**Name of the Speaker:** Mr. Tushar Shende

**Designation:** Training and Placement Opportunities Officer, YTC, Satara

The session was organized for the students of MCA-II. Prof P.S Gade welcomed the speaker Mr. Tushar Shende Sir. Mr. Tushar Shende has been working as Training and Placement Opportunities Officer in the YTC Campus for more then 4 years. A total of 35 students attended the lecture.

Mr. Tushar Shende Sir introduced the sessions and encouraged students to think of a business rather just opting for a salaried job. To promote a vibrant business community and generate employment, the Government of India provides a host of subsidies and incentives for business. For any entrepreneur managing a startup or an established business, it is important to know about these subsidies and incentives – so that these subsidies are availed while incurring capital expenditure to reduce capital cost, lessen interest burden and achieve break-even faster. While mentioning the economic constraints he listed the several problems encountered by Entrepreneurs.

- Lack of adequate infrastructure
- Locations of supporting offices for projects
- Lack of relevant information and knowledge e.g.
  - Managerial skills and technical know how,
  - Market intelligence, etc.

TO overcome these issues the Government has made provisions of incentives like availability of power, concessional finance, capital investment subsidies, transport subsidies, etc. aims at eliminating such constraints and promote entrepreneurship. Government provides support to entrepreneurs in the following ways:

- **Training:** Trainings aims at improving the entrepreneurial skills. Basic training varies from product to product but will necessarily emphasise on sharpening of entrepreneurial skills.
  - In this regard central and state government's technical institutions provide need based technical training.

  
**DIRECTOR**  
Yashoda Technical Campus 0

- Entrepreneurship development programmes are conducted by many government organizations and non-government institutions.
- **Promotional schemes:**
  - MSMEs are accorded highest priority.
  - For their development conducive policies and schemes are formulated and implemented.
  - Government provides land and sheds on actual cost basis with appropriate infrastructure.
- The government has designed the special schemes for:
  - Quality upgradation
  - Common facilities
  - Entrepreneurship development, and
  - Consultancy services at minimal charges.

**Schemes of State Governments:**

- The state governments also provide technical and other support services to MSME through their directorate of industries and district industries centre.
- In general all the state governments extend support of following types:
  - a) Deferment/ suspension of sales tax.
  - b) Power subsidy
  - c) Capital investment subsidies to new enterprises established in some selected districts.
  - d) Margin money/seed capital assistance schemes.
  - e) Priority in providing power connection/water connection.
  - f) Technical and consultancy support.

The session was very interactive. Students were curious and thus, question answer round was interactive too. Prof P.S Gade gave vote of thanks and the session was hence concluded.

**REPORT ON PROJECT PRESENTATION ACTIVITY FOR IPR UNDER YTC INSTITUTE**

Recently YTC had signed an MoU with MyCrave Consultancy. MyCrave Consultancy has been one of the biggest and valuable contributors for intellectual property rights, patents and copyrights. This is an initiative carried forward by Yashoda Technical Campus in order to make the innovative ideas and projects global as well as get their intellectual property rights which would be beneficial for students, faculty as well as for the institution. Accordingly, MCA organized a project presentation session, wherein the final year students had represented their final year projects. The idea was to bring the innovative aspect out of the students.

The session was conducted in MCA Lab in presence of Hon. Chief Guest, HOD Dr. Sunita Jadhav Ma'am, faculties and all students. HOD Dr. Sunita Jadhav Ma'am Welcomed our esteemed guest Mr. Kulkarni and introduced them. She gave brief about the session today and said students had got golden chance to showcase their innovative side and present an x-factor in the generalized projects. Being an IT student, it's our preliminary duty to create a state wherein we simply the works around us, thus implementing the technology and creating use friendly software. A total of 29 students were present for the session.

Students had participated in large numbers for presenting the projects. Changes were made to their existing projects and there were a lot of brainstorming sessions, students had unfolded every aspect for their projects. the assessment was done by our Guest Judge Mr. Kulkarni and HOD Dr. Sunita Jadhav Ma'am. There was a lot of question answer sessions. Students confidently answered all the queries raised by the Judges. Few were able to satisfy the judge's perspective, few were not able to. More than 15 groups had participated the competition.

Lastly, 8 project topics where been finalised by the judge. Kulkarni Sir appreciated the efforts taken by the department. Patents and copyrights play very crucial role in resume building and towards self-development. Doing research also facilizes our nation. It is necessary for today's youth to be keen in research and contributing for the country. Students are able to do this at such young age is inspiring, Sir added.

The selected projects were further given to the consultancy services wherein the Consultancy staff and students and guides worked in the improvement at various levels. Later Prof V. V. Kadam thanked all participants and dignitaries and gave vote of thanks.

**Venue: MBA-I Classroom**

Name of Guest : **Mr. Sandip Sutar**  
Organization: **Sutar Associates**  
Designation: **Chartered Accountant**  
Work Experience: **Industry**  
Topic for the session: **Career Opportunities**

**Nature of the Program:**  
An MBA degree is prestigious as it is accepted worldwide. With more and more Universities including MBA courses in their curriculum, many students are opting for this valuable course. There are several types of MBA; you can choose anyone depending on your criteria. Most of the students enrolling in this course are already employed. So, they either opt for a part time course or quit their jobs and pursue this course or the company they're working for sponsors their course.  
Either way, lots of careers are benefited by various types of MBA courses as it helps them gain additional knowledge and obtain a better pay package. Last year it was reported that over 90% of MBA graduates are fully employed and offered better salaries. For students or professionals considering an MBA course, the first thing to do is choose a type.  
The following fields have the most popular demand for MBA graduates said CA Sutar –

- Management • Marketing
- Human Resources • Finance
- Accounting • Sales • Healthcare

**Report of Guest Lecture**

**Day & Date –Thursday, 10/10/2019      Time: 10.00 AM**

**Venue: MBA-I Classroom**

**Name of Guest : Mr. Chetan Suryawanshi**

**Organization: NEEM Maharashtra**

**Designation:      Operational Executive**

**Work Experience: Industry**

**Topic for the session: Industrial Recruitment**

**Nature of the Program:**

The Faculty of MBA organized Industrial recruitment Awareness Program for the MBA Aspirants. In this program Mr. Chetan Suryawanshi, Operational Executive of NEEM guided MBA students. The Central government is aware of the enormity of the challenge and has therefore launched a program through AICTE. The objective is to develop a competent workforce which could take the country ahead in the industrial world. World popular concept of "On the job practical training" is the basis of this program targeting enhancement of employability among individuals who are pursuing graduation or have discontinued or completed graduation in any technical or non-technical field.

**Summary :**

The contents of the Session delivered by Mr. Chetan Suryawanshi are really important to the students. It was great experience for the students and faculty members to obtain detail knowledge about Industrial Recruitment. Students also obtained the knowledge about communication skills in the corporate sector.

**Report of Investment Awareness Program**

**Day & Date: Monday, 03/02/2020**

**Time: 02.40 pm onwards**

**Venue: Orange Seminar Hall**

Name of the Guest: Ms. Swati More

Organization: Board of Industry-Academia Partnership

Designation: Trainer

Work Experience: Vast experience in the field of Investment awareness.

Topic for the session: Investment Avenues for M.B.A. students.

**Contents of the Session:-**

The students of MBA are the future budding managers; they have to run the business efficiently. In order to obtain detailed knowledge about future upcoming 21<sup>st</sup> century challenges and also to face the challenges regarding investment opportunities the interactive session of Hon. Swati More of National Stock Exchange was organized. Hon. Swati More explained in details about various investment opportunities and how to grow financially through investment in the financial sector.

Hon. Mrs. Swati More discussed about following topics very effectively. Investment Opportunities in developing country like INDIA, she explained meaning of Investment opportunity as, Investment opportunity means "anything, tangible or intangible, that is offered, offered for sale, sold, or traded based wholly or in part on representations, either express or implied, about past, present, or future income, profit, or appreciation." She explained ten important Investment opportunities as follows.

Some of the above investments are fixed-income while others are market-linked. Both fixed-income and market-linked investments have a role to play in the process of wealth creation. While market-linked investments help in navigating the volatility and in the process generate high real return, the fixed income investments help in preserving the accumulated wealth so as to meet the desired goal. For long-term goals, it is important to make the best use of both worlds. Have a judicious mix investment keeping risk, taxation and time horizon in mind.

1. This electronically generated score card is the official result declared by NTA and does not require any signatures.
2. The NTA Score indicates the percentage of candidates that have scored EQUAL TO OR BELOW (same or lower raw marks) candidates. The NTA scores of a Candidate have been calculated as follows:

$$\frac{100 \times \text{Number of candidates appeared in the examination with raw marks EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared}}$$

NTA score is not the same as percentage of marks obtained.

**GPAT Orientation Lecture delivered at YSPM YTC Faculty of Pharmacy, Satara**

Date – 22/07/2019

**GPAT Orientation lecture delivered by college faculty member:** Mr. Sachin H. Rohane, Asst. Professor, YTCFOP, delivered lecture as a Speaker with topic titled as “GPAT Orientation” on 22 July 2019.

**Introduction:**

GRADUATE PHARMACY APTITUDE TEST (GPAT) is a national level entrance exam conducted by the National Testing Agency (NTA) every year as per the directions of Ministry of Human Resource Development (MHRD), Government of India. The activity was arranged by GPAT cell with objective to attract the interest of the undergraduate students in various National level competitive exams and wish to increase number of qualifier.

Mr. Sachin H. Rohane delivered lecture with aim to remove inadequacy about GPAT by furnishing copious information about GPAT exam and pointing out their inter-relations about subject wherever they exist. Mr. Sachin H. Rohane has more than Fourteen years teaching experience, GPAT qualified in 2016 and recognized as an expert in GPAT exam guidance. He delivered four expert lecture regarding GPAT exam at different colleges.

GPAT cell organized detailed plan about studies and also plan for expert lectures throughout academic year by college faculty members and some renowned subject experts.

We hope this kind of lecture will definitely boost up students to appear for GPAT exam and encourage them to be qualified. The lecture was received with admiration by the students and they also found the appropriate contents. On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity was coordinated by Ms. K. J. Baid, Asst. Professor, GPAT cell Co- Incharge under the valuable and precious guidance of B.Pharm HOD Mr. A.M. Bhagwat and Principal Dr. V. K. Redasani.

**Introduction:**

GRADUATE PHARMACY APTITUDE TEST (GPAT) is a national level entrance exam conducted by the National Testing Agency (NTA) every year as per the directions of Ministry of Human Resource Development (MHRD), Government of India. The activity was arranged by GPAT cell with objective to attract the interest students in Pharmaceutics subject specially in liquid dosage form.

Mr. Mandar J. Bhandwalkar delivered lecture with aim to remove inadequacy about liquid dosage form including solution, suspension, emulsion and Parenteral by furnishing copious information about GPAT exam and pointing out their inter-relations about subject wherever they exist. Mr. Mandar J. Bhandwalkar has more than eight years teaching experience and recognized as an expert in parenterals and liquid dosage form guidance. GPAT cell organized detailed plan about studies and also plan for expert lectures throughout academic year by college faculty members and some renowned subject experts.

During the lecture Mr. M. J. Bhandwalkar have covered the points like Preformulation and formulation aspects for SVP-LVP, quality control parameters, Packaging, sterilization and regulatory requirements considering liquid dosage forms and parenteral formulations.

We hope this kind of lecture will definitely boost up students to appear for GPAT exam and encourage them to be qualified. The lecture was received with admiration by the students and they also found the appropriate contents. On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by Mr. Sachin H. Rohane, Asst. Professor, GPAT cell In-charge, Ms. K. J. Baid, Asst. **GPAT expert lecture on Biopharmaceutics and Pharmacokinetic delivered by college faculty member:** Mrs. Yogita V. Dalvi, Asst. Professor, YTCFOP, delivered lecture as a Speaker with topic titled as "GPAT with respect to Biopharmaceutics and Pharmacokinetic" on 31<sup>st</sup> July 2019.

#### Introduction:

GRADUATE PHARMACY APTITUDE TEST (GPAT) is a national level entrance exam conducted by the National Testing Agency (NTA) every year as per the directions of Ministry of Human Resource Development (MHRD), Government of India. The activity was arranged by GPAT cell with objective to get conceptual knowledge about Biopharmaceutics and Pharmacokinetic.

Mrs. Yogita V. Dalvi delivered lecture with aim to elaborate the importance of Biopharmaceutics while discovery of drug or while designing of dosage form including solution, suspension, emulsion Parentral etc. Mrs. Yogita V. Dalvi has more than five years teaching experience and recognized as a expert in Pharmacokinetic and Pharmacodynamic study guidance. GPAT cell organized this expert lectures as a expert lecture series plan which is carry out throughout academic year by college faculty members and some renowned subject experts.

The lecture focused on Pharmacokinetic and Pharmacodynamic aspect such as absorption, distribution, metabolism and excretion. It include different pharmacokinetic models, in vitro-in vivo correlation for different drug products, various terms related to bioavailability and bioequivalence, biopharmaceutical classification system etc.

We hope this kind of lecture will definitely boost up students to appear for GPAT exam and encourage them to be qualified. The lecture was received with admiration by the students and they also found the appropriate contents. On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by Mr. Sachin H. Rohane, Asst. Professor, GPAT cell In-charge , Ms. K. J. Baid, Asst. GRADUATE PHARMACY APTITUDE TEST (GPAT) is a national level entrance exam conducted by the National Testing Agency (NTA) every year as per the directions of Ministry of Human Resource Development (MHRD), Government of India. The activity was arranged by GPAT cell with objective to become knowledgeable in the field of Pharmacy.

Mrs. Dipti S. Waghmare delivered lecture with aim to elaborate the importance of Solid Dosage form which include powder, Tablet and capsule dosage form. Mrs. Dipti S. Waghmare has more than five years teaching experience and recognized as a expert in Pharmaceutics. GPAT cell organized this expert lectures as a expert lecture series plan which is carry out throughout academic year by college faculty members and some renowned subject experts.

The lecture focused on Tablet, Capsule and Powder. In tablet speaker focused on Excipient, Quality control test, Tablet defect and its remedy, Tablet coating defect and its remedy. In Capsule, they cover Size and content of capsule, Capsule manufacturing process, Quality control test and In powder, its different types, Quality control test regarding flow properties etc.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by Mr. Sachin H. Rohane, Asst. Professor, GPAT cell In-charge , Ms. K. J. Baid, Asst. The Guest lecture was arranged by GPAT cell with objective that students should get ample of knowledge so they become competitive personnel in the field of Pharmacy.

Mr. Rohit K. Pawar delivered lecture with aim to elaborate the importance of Physical Pharmacy which is the base for formulation of dosage form. Mr. Rohit K. Pawar has more than Six years teaching experience and recognized as a expert in Pharmaceutics Specially in Physical Pharmacy. GPAT cell organized this expert lectures as a expert lecture series plan which is carry out throughout academic year by college faculty members and some renowned subject experts.

The lecture focused on Kinetic theory of gases and equations of behavior of gases. Different physical properties such as surface tension, parachor, viscosity, refractive index, optical rotation and dipole movement. Methods of determination and pharmaceutical applications of surface tension, parachor, viscosity, refractive index, optical rotation and dipole movement etc.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by Mr. Sachin H. Rohane, Asst. Professor, GPAT cell In-charge , Ms. K. J. Baid, Asst. ## Report of Guest lecture (GPAT Cell Activity)

### Guest lecture on Topic “GPAT Exam- Pharmacognosy Aspect” Held on Tuesday, 17<sup>th</sup> December 2019.

GRADUATE PHARMACY APTITUDE TEST (GPAT) is a national level entrance exam conducted by the National Testing Agency (NTA) every year as per the directions of Ministry of Human Resource Development (MHRD), Government of India. The activity was arranged by GPAT cell with objective to get conceptual knowledge about Biopharmaceutics and Pharmacokinetic. Based on this need YSPM's YTC, faculty of Pharmacy, Wadhe, Satara arranged guest lecture on Topic “ GPAT Exam- P'cognosy Aspect ”. The Lecture was delivered by **Dr. Ennus T. Tamboli**, Asso. Professor, ADCP Ashta, having Doctorate in Pharmacy with 10 years of Teaching experience. Welcome speech & introduction of guest is given by **Prof. Sachin H. Rohane**, assistant professor and T&P cell Incharge.

**Dr. Ennus T. Tamboli** is gracious speaker and has command over Pharmacognosy, in introductory part he has elucidate importance of GPAT. He has elaborated different aspects of Pharmacognosy such Traditional, Microscopical and characteristic features of individual crude drug with proper justification. Total 30 students from Final year B.Pharm were attended the program.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by **Mr. Sachin H. Rohane**, Asst. Professor under the valuable and precious guidance of B.Pharm HOD **Mr. A.M. Bhagwat** and Principal **Dr. V. K. Redasani**.

### GPAT Test No. 1 on Pharmaceutics

Yashoda technical campus, Faculty of Pharmacy initiated GPAT Lectures and routine test for B Pharmacy Third & final year students. GPAT exam is very important to get admissions for M Pharmacy. So while understanding importance of the GPAT exam and in order to make them eligible for further education yashoda college started to conduct Expert lectures and test for final year students under the guidance of Honorable principal sir and gpat Coordinators .

While keeping the objective to qualify more and more number of Pharmacy students in GPAT exam, Yashoda technical campus, Faculty of Pharmacy scheduled GPAT test on 28/08/2019 on Pharmaceutics subject. GPAT test was conducted for 100 marks containing 100 Mcqs. The exam conducted on semi digital mode means Question paper was supplied in digital format. The exam is assigned for Third & final year students. Total 62 students appeared for exam out of which 49 students from Final year and remaining from Third year. GPAT cell received a very good response.

We hope this kind of activity will definitely boost up students to appear for GPAT exam and encourage them to be qualified. On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by Mr. Sachin H. Rohane, Asst. Professor, GPAT cell In-charge , Ms. K. J. Baid, Asst. ### **Event Moments : How to Introduce our self**

Networking is an important piece of any job search. Preparing a professional introduction ahead of time will give you more confidence and will help you to be more successful in your networking. This is an introductory statement that states the type of job or internship you are looking for, your skills and your related experience. Communicating your goals and key points in a clear, straightforward manner is very important. Don't assume people will figure out what you want just by stating a job title or the name of a company. Once you have a professional introduction ready, you can tailor it to fit each situation.

#### **You can use your professional introduction:**

- ◆ To network at meetings, school, or social activities
- ◆ When you are introducing yourself to potential employers
- ◆ To answer the infamous "What are you doing after graduation?"

#### **Guidelines:**

- ◆ Be specific ---communicate your focus or your goals
- ◆ Make your commercial conversational and not too heavy on the content
- ◆ Single yourself out from the crowd --- let your unique skills and personality shine
- ◆ Communicate enthusiasm and motivation

#### **What to include in your professional introduction :**

- ◆ What are you looking for? (Describe a dream job, professional career field, fulfilling position)
- ◆ Recent education and relevant experience
- ◆ Areas of expertise/skills/accomplishments
- ◆ Include words that emphasize your enthusiasm
