1.

Excellent teaching

No Suggestions

All good

Everything is fine

Use better graphics and visual media to engage students well.

Very good

Printed journal for practical

Communication with students about their problems

Overall quality of teaching learning process in college is is good

Apparatus unavailable

Good and cooperative

All teaching staff is excellent

Nice

Well

The overall quality of teaching-learning process in institute is very good.

To provide more to more technical knowledge

add on course needed , industrial visit , teach industrial required skills

No required

DIRECTOR
Yashoda Technical Campus
Satara

- 1.Apparatus for practical should be available
- 2.Other activities should be taken
- 3.Classrooms and practical labs should be clean

- 1-Teach with examples
- 2-Teaching in easy language
- 3-provide easy language notes

Poor lab facilities,Lack of chemicals, students are fined for the things or misbehave which are not at all done by them , Internships programme are not provided on time,Books in library are not sufficient for all the students.

1. select staff members wisely
2. require more internship's, campus interviews, aptitude classes etc

Creativity, encourage social learning

Excellent performance
Good teaching
support in study

Give practical knowledge not always focus on theory

1. Apparatus to practical should be available
- 2.other activity should be taken
- 3.classroom and practical lab should be clean

Digital classroom on regular basis

Should take more examples while teaching

Teaching is very well but I think other than syllabus they should provide industrial techniques and syllabus also

Method of teaching

Application

- 1.Good practice encourages active learning.
- 2.Motivate your students.
- 3.Give quality feedback.

Practical regulation, attendance rules, aptitude test regular test

Make the studying technique student friendly.

Try to understand student point of view

- 1 Give those staff who's have experience 2 college should be give particulary that subject staff

[Signature]
DIRECTOR
Yashoda Technical Campus
Satara

Please understand first ability of students and then behave...

Should speak proper English

Improve Time Management. Not teaching staff for each subject. Provide Campus interview

1 Proper practical equipments and chemical should be there

Provide Multiple Apportunity

learning

Teaching change

Maintain the quality of teaching and learning process, more interaction with the students, carrier support for students.

Teachers hav to improve their teaching skill that's why average students also can understand the concepts clearly

1. Cover the whole syllabus within time
2. Communicate with student using english language
3. Provide the information related to Working environment the will go

Best teacher

Provide experiment kits

Conduct lecture that we will need good job and improve skills or knowledge.

Give placement to the students

1.communication

Distinguish between students

Good teaches

Well

Industrial visit and intership

Improve the student weakness such as language, communication skills etc

In teaching not only theory part but also practical application and practical application knowledge is very important for stu

DIRECTOR

Need to be give more practical knowledge to students.

Students la tech karycha adhi teacher ne prepration keli pahije ky aplyala tech karych ahe , pratek subject la teacher pahije, internship job placement clg ne provide kele pahijet, asa teacher pahije jyala tya Jo subject tech kartoy apan students la tyach thod tri knowledge pahije

Providing the notes

Activity like group discussion and quizze games should regularly performed in tutorial hours

No Suggestions

Digital study

Arrange sufficient faculty for students.

Try to interact more friendly with students.

Focus on things which are actually necessary for students .

Need to reduce the journal writing work

1)practicals skills improve

2) Try to reach every student and ask for their doubts

3) Make teaching a two way interaction.

I think teachers need to enhance our technical skills and follow some professional working experience centric teaching that means we need some real time working experience like internships or workshops and also I think we spending more time to writing assignments instead of that we need to focus on our technical skill development.

nothing

which subjects do not have teacher staff should be arranged by early

The college should emphasize on the skills of the students

Efficiency

1.Provide some internship opportunities for students.

2.Arrange SDP programs.

3.Arrange soft skill development sessions.

Very proud of you my YSPM teacher

Conduct different courses

Use projector

DIRECTOR
Yashoda Technical Campus
Satara

College should arrange more industrial visits in future

1 Give us some practical knowledge

2 Interactive Staff

3 No Mentor

4 Field visits

5 Industrial training
