Teacher's Day Celebration

We celebrate Teachers' day every year throughout the country on 5th September. A celebration conducted at our department by our students on 5th September 2022. The whole function was planned by Ms. Amruta Sonmale with faculty coordinators. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers. As per the Indian culture, we always start our work with prayer. Students have prepared a timetable of lectures for second year diploma in pharmacy from 10:00 am to 01:00 pm. Students went to class to deliver lectures on the ongoing semester subjects. On this day, our teaching was started as usual on 10:00 am. All other non participated students were also studying seriously without making any noise or mischief. All participated students were appreciated by giving thanks you.

The afternoon session of a program started by Saraswati poojan which was followed by felicitation of all the teachers by the students for expressing their appreciation for the teachers. Then student gave the audience, a peek into the life of Dr. Radhakrishnan through speech & also expresses their gratitude for the teachers for their work. Then our honorable Principal Dr. V. K. Redasani Sir speaks about the significance of the teacher's day. This was followed by a speech by the Head of Department, Mr. A. T. Thorat sir who spoke about the significance of Teachers Day & appreciates all the students for the whole day, which was the proudest moment for the teachers. Also, he announces the best student teacher among all the student participated as teachers for the day. Ms. Tejashree Nale was the best student teacher. Pharmacist Day 2022

Pharmacist Day 2022 was celebrated at YSPMs Yashoda Technical Campus, Faculty of Pharmacy with tremendous joy by all staff as well as the students. Yashoda Technical Campus celebrated World Pharmacist Day on 26th & 27th September by organizing rally with street play and Yasho-Pharma-Digi competition. Yashoda Technical campus, Wadhe Satara has organized a rally at Bharatgoanwadi. The rally was conducted on 26th September on the occasion of Pharmacist Day which was celebrated worldwide on 25th September. During this rally various street plays are performed by the students. The play was witnessed by around 150 students. The groups perform on contemporary social issues which are casually ignored and not confronted by the society as whole. It was meant to bring awareness to the audience regarding the contemporary issues faced by peoples in the society also bringing awareness about the Pharmacy field among the population. The play was intertwined with very heart wrenching and ironic moments infused with entertainment. The students looked much disciplined towards their art and their performance succeeded in sending their message across powerfully as every face in the audience was drought with emotions. Peoples of the village said that such students should be invited to perform powerful plays with a social message which has the potential to awake the audience to existing social issues. And since the audience in schools and colleges is youth, it can bring the change in the mindset of the coming generation and the present one. Principal Dr. V. K. Redasani appreciated the active participation of students. He guided the students regarding the role of Pharmacist in society as a health care professional. He discussed various facts of Pharmacy profession along with the responsibilities and challenges present in front of the Pharmacy professionals. He won the hearts of all audiences with his special and typical way of interaction. The session was extended by the appreciating and congratulating the participating students. On the second day, on 27th September Video making competitions has organized in the campus. Students showed great enthusiasm to be a part of the social awareness video team and successfully accomplished their goal. The aim of organizing the competition was to sensitize the students and make them more confident towards such activities so that they remain proactive when their family or friends ask them about health issues. The last session of the day witnessed the artistic effort by the students in the form of Videos. The Yasho-Pharma-Digi competition started at 2:30 pm, 10 teams participated. Students prepared videos on the basis of Social awareness as well as How doctors and pharmacist plays important role in the society. All the videos are heart touching and wins the heart of the audience. Students had taken lots of efforts for making such wonderful videos & their ideas were best.
